Hosted and organized by
College of Engineering, University of Bahrain
In Collaboration with
Deanship of Postgraduate Studies and Scientific Research

2026 INTERNATIONAL CONFERENCE ON FRONTIERS OF ENGINEERING AND EMERGING TECHNOLOGIES (FET'26)

LEVERAGING INNOVATIONS AND COMPUTATIONAL
INTELLIGENCE FOR SUSTAINABLE DEVELOPMENT

HYBRID
IN-PERSON &
VIRTUAL

Scope of Topics

Track 1

Smart Operations, Energy Transition, and Process Innovation in the Oil, Gas, and Petrochemical Sectors

Track 2

Advanced Manufacturing, Industrial Technology, and Engineering Management in Industry 5.0+

Track 3

Emerging Technologies and AI Applications in Engineering

Track 4

Advanced Technologies in Power, Energy, and Industrial Systems

Track 5

Innovative and Sustainable Technologies in Architectural Engineering

Track 6

Smart Infrastructure, Construction Technologies, and Transportation Engineering

Conference Details

APRIL 22 - 23 2026

09:00 AM – 05:00 PM (GMT+7)

E-Learning Center
University of Bahrain
Sakhir Campus

Paper Submission

Important Dates

Jan 15, 2026
(Final Paper Submission
Deadline Extended **Feb 8,**
2026—Strict)

March 8, 2026
Notification of
Acceptance

March 15, 2026
Early Bird
Registration Deadline

April 1, 2026
Paper Camera-Ready
Submission

April 22–23, 2026
Conference
Dates
